

ABSFASTENERS.COM

LOOK TO ABS FOR THE VALUE ADDED SERVICES THAT MAKE YOUR JOB EASIER!

ON-SITE BAGGING MACHINES

We now have two state-of-the-art bagging machines on site, which means now more than ever, we can handle your custom bagging needs quickly and efficiently.

QC LAB

We've invested over half a million dollars in QC test equipment, which enables us to perform a battery of tests; including dimensional testing, torsional testing, drill-speed testing and visual testing.

BENEFITS OF CUSTOM BAGGING AND PACKAGING
